Questions? Email us at YPWcamps@YPWkids.com

Frequently Asked Questions

How are campers supervised?

Campers are supervised at all times. For your child's security all campers MUST be escorted to and from their camp room by a parent or guardian and signed in and out EVERY DAY. We realize leaving your contact information each day may not always be convenient. In the event of an emergency, we want to have the most accurate contact information for you.

How should my child dress for camp?

In comfortable clothes that may get messy

Do You offer camps only in Spanish?

No, we offer camps in Science, Technology, Art and other in English as well.

For registration assistance, email YPWcamps@YPWkids.com

Frequently Asked Questions Continued

Can you accommodate my child with special needs?

We are happy to accommodate children with special needs but we ask that you notify us of your child's needs prior to your child's first day of camp. Please help us help your child by notifying us of any allergies, accessibility concerns, behavioral, psychological or emotional conditions, or other special needs. Please email the Camp Manager at YPWcamps@YPWkids.com.

While we hope to offer these camps to as wide a range of children as possible, it is not possible for us to offer one-on-one care. In the case of severe food allergies, it is not possible for us to monitor the food other children bring into camp.

YPW is NOT responsible for administering medication to children. Consult a pediatrician about altering the child's dosage so that medication can be administered outside of camp hours.

To make it a full day camp, do I have to pick a morning and afternoon session?

Yes. We offer a wide variety of camps. We strive to help our young campers to discover intelligent fun through our hands-on and fun camps exploring different branches of art, languages, math, science and technology.

What are the qualifications of your teachers and assistants?

All of our teachers are certified school teachers or highly trained professionals with extensive experience in their respective fields. They all have experience working with children and enjoy hands-on interactive activities.

May parents stay in the classroom?

No. If you feel that your child is unable to remain in camp without you for more than a few minutes, you probably should wait a year before you send him/her to camp. Our weeklong camps promote independent learning and socialization. Parents are not allowed to remain in the classroom during camp hours.

What are the behavior expectations for campers?

Camper expectations are posted in each room and are emphasized throughout the week. In case of a severe behavior problem, we will call you and ask you to pick up your child. At our discretion, your child may be allowed to return to camp the following day.

Whom may I contact during the day if I need to leave an emergency message concerning my child?

Please call YPW Westlake at 512-329-5611 ; YPW Central at 512-401-3174

A staff member will deliver your message to the appropriate person.

Does my child need to bring a lunch?

Yes. Campers are supervised in their camp room while they eat lunch.

Does my child need to bring snack?

YPW Provides healthy snacks to campers.

Does my child need to bring drinking water to camp?

Yes. Please make sure your camper brings a bottle of water everyday to camp.

Does my child need previous experience with Spanish before enrolling?

No, many YPW Spanish workshops and camps are developed with the beginner in mind.

Do you cover different material every week / camp?

Yes. Every week we cover different vocabulary and key phrases.

My child knows Spanish. Do you have a camp advanced enough to keep her/him challenged?

We design our Spanish Camps for children with different abilities and skills levels. For further questions email at YPWcamps@YPWkids.com

I'm afraid my child may be bored of just taking a Spanish Camp

Our Spanish curriculum is packaged with art projects, games, relay races, cooking projects, drama, singing, and more, all designed to appeal to a young child's sense of discovery and fun.

Our hands-on, interactive, high-energy approach ensures that children are motivated and engaged while learning at the same time.

Our teachers use dramatic presentation, miming, gestures, facial expressions and silliness to enhance both comprehension and fun.

The curriculum, with its varied activities, and the teaching style, with its demonstrative approach, foster in children a positive attitude toward language learning.

Central: June 15 – 19 9 to 12 pm; July 20 – 24 1 to 4 pm

Learn the science behind disasters of the natural and man-made kind. Discover the power of earth, fire, ice, wind, and water as you explore earthquakes, volcanic eruptions, landslides, floods, and droughts. Build and erupt a volcano with special lava that hardens after each eruption, like a real volcano! Create a tornado in a bottle; make an edible earthquake and much, much more in this Earth-shaking camp.

DISGUSTING SCIENCE Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 29 – July 2 9 to 12 pm; July 6 – 10 1 to 4 pm
Central: June 29 – July 2 1 to 4 pm; July 6 – 10 9 to 12 pm;

What's grosser than gross? Disgusting Science is the grossest, gooiest, most revolting science camp out there. Grow your own friendly germs and fuzzy molds. Mix up a batch of coagulating fake blood. Even make a stinky intestine model. Learn the science behind sticky and icky bodily functions while doing some truly nasty experiments. Young People will love this disgusting twist on regular science camps.

ENGINEERING FUNDAMENTALS Ages 6 To 12 - *New projects for returning campers -*

Westlake: July 13 – 17 9 to 12 pm;
Central: July 13 – 17 9 to 12 pm

Campers will learn how engineers apply their scientific and technical knowledge to design machines and devices by engaging in hands-on activities. Explore engineering on land by building vehicles such as a race car and a wind-up car. Next, investigate engineering with air by building some of the following: a helicopter, a pinwheel, a balloon rocket, and an air-powered carousel. Then, build a diving bell, a sailboat and a paddle boat to experiment with engineering in water.

GREENGINEERING Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 1 – 5 1 to 4 pm; August 3 – 7 9 to 12 pm
Central: June 8 – 12 1 to 4 pm; July 27 – 31 9 to 12 pm

Unearth the energy of the future! Using renewable technology, harness the power of air, water and sun to electrify a circuit, design and build various machines such as: water-jet propelled cars, hydro-pneumo powered engines, a robotic arm and many more! Learn to move a robot arm without using any type of electricity! Compete with your friends to see whose water-jet propelled car and hydro-pneumo car goes the farthest!

JUNIOR ROBOCAMP Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 15 – 19 1 to 4 pm
Central: June 22 – 26 1 to 4 pm; July 20 – 24 9 to 12 pm

There is nothing that little people find more exciting than the rough, tough world of vehicles, aircraft and boats! This camp provides an interactive way for children to learn about the physical world in which they live by designing and building vehicles using Lego construction models. Young People explore basic mechanics and design features; learn to discuss, plan, and test ideas; and strengthen their sorting and classifying skills.

MAGIC SCIENCE Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 15 – 19 9 to 12 pm; July 20 – 24 1 to 4 pm
Central: June 22 – 26 9 to 12 pm; July 13 – 17 1 to 4 pm;

Can you blow bubbles into two glasses of water at the same time? Can you make a water balloon rise up on its own from the bottom of a tub of water? Campers will learn the scientific explanation behind some of the following tricks even if they appear to defy the law of physics and nature. Tricks such as: levitating objects, making objects appear as if they move on their own, resting a balloon on a bed of nails without it popping and many more!

NEW! BE A PET VET Ages 6 - 12

Westlake: August 10 - 14 9 to 12 pm
Central: August 17 – 21 9 to 12 pm

If you love animals, this is the camp for you! Learn how to take care of dogs, cats, and exotic pets. Campers will learn, hands on how they can keep a pet healthy, and what it takes to be a veterinarian.

Camp Descriptions Continued

ROBOCAMP Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 15 – 19 1 to 4 pm;
Central: July 6 – 10 1 to 4 pm; July 20 – 24 9 to 12 pm

Elementary and middle school kids form project teams to solve challenges by building and programming robots using the LEGO Mindstorms & NXT Robotics Invention System. In addition to having fun, participants learn about mechanical and software design, computer simulation, project management and teamwork skills. Parents are invited to an end-of-the session "graduation" at YPW New challenges included for returning campers.

ROCKET SCIENCE Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 8 – 12 9 to 12 pm; August 3 – 7 1 to 4 pm
Central: June 1 – 5 9 to 12 pm; July 27 – 31 1 to 4 pm

Physics comes alive in this action-packed camp centered around a specially-designed "stomp-on" rocket launcher with three foam rockets. Launch water- and air-powered rockets to learn about action and reaction forces. Build a balloon propelled rocket, boat, and race car. Play a game to try to hit target "planets" with the foam rockets. Young People will explore the physical principles of gravity and inertia while launching rockets and having fun!

SURGEONS IN TRAINING Ages 6 To 12 *- New projects and activities for returning campers -*

Westlake: June 8 – 12 1 to 4 pm; July 27 – 31 9 to 12 pm
Central: June 1 – 5 1 to 4 pm; August 3 - 7 9 to 12 pm

Learn how to perform dissections on a variety of animals including worms, grasshoppers, frogs among others in this fun and exciting hands-on biology camp. Young people will learn about the circulatory, respiratory, nervous, digestive, and immune systems of their own bodies and apply this knowledge to the dissection and analysis of animal body systems. They will also learn appropriate lab and dissection safety. A great way for future doctors, veterinarians, and biologists to get hands-on experience!

TASTY SCIENCE Ages 6 To 12 - *New projects and activities for returning campers -*

Westlake: June 1 – 5 9 to 12 pm; July 27 – 31 1 to 4 pm
Central: June 8 – 12 9 to 12 pm; August 3 - 7 1 to 4 pm

Cook up some science in this camp! Who knew science could taste so good? In this camp, young people will whip up cupcakes, cookies, candy, and more all in the name of science! Learn what makes cakes rise, candy crystallize, and more real chemistry happen in the kitchen. Explore the science behind Bubble Gum, Butter, Corn Starch Plastic, Dancing Cereal and Ice Cream among others.

NEW! BUILD IT UP with CLAY Ages 6-12

Westlake: August 17 – 21 9 to 12 pm
Central: August 10 - 14 9 to 12 pm

Clay has a natural calming effect that enhances creativity, visual thinking, and critical analysis. Campers will learn the top three hand building techniques as they construct their family treasure. Your child will also have the opportunity to make a whimsical sculpture.

NEW! INTERNATIONAL SPY CAMP Ages 6-12

Westlake: August 10 - 14 1 to 4 pm
Central: August 17 – 21 1 to 4 pm

Campers will dust for fingerprints, make disappearing ink, and become invisible sleuths as they work together to solve this week's mystery. Your camper will also utilize clues on a team scavenger hunt, and join us for some group games.

NEW! YOU"VE GOT TALENT Ages 6 - 12

Westlake: August 17 – 21 1 to 4 pm
Central: August 10 - 14 1 to 4 pm

Each camper will show their unique talent as we showcase their art, demo their science experiment, and clap for them during our Friday Talent show. Your child may join a band, singing group, or theater group for daily practice during the week with their coach, or claim the stage for a solo performance.
