

Ya sabes cómo bailan
los dinosaurios.

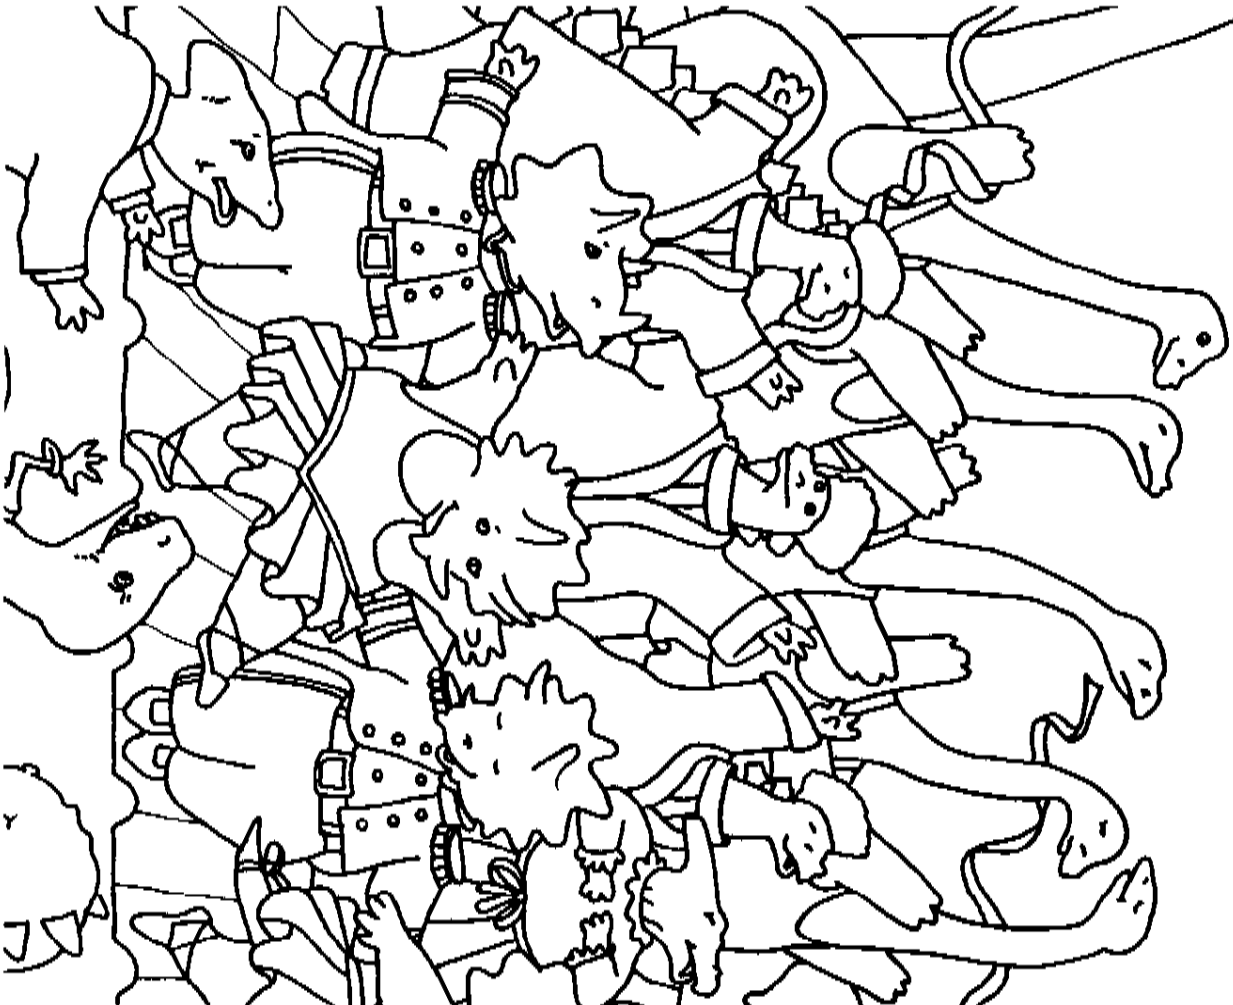

Los dinosaurios bailan.

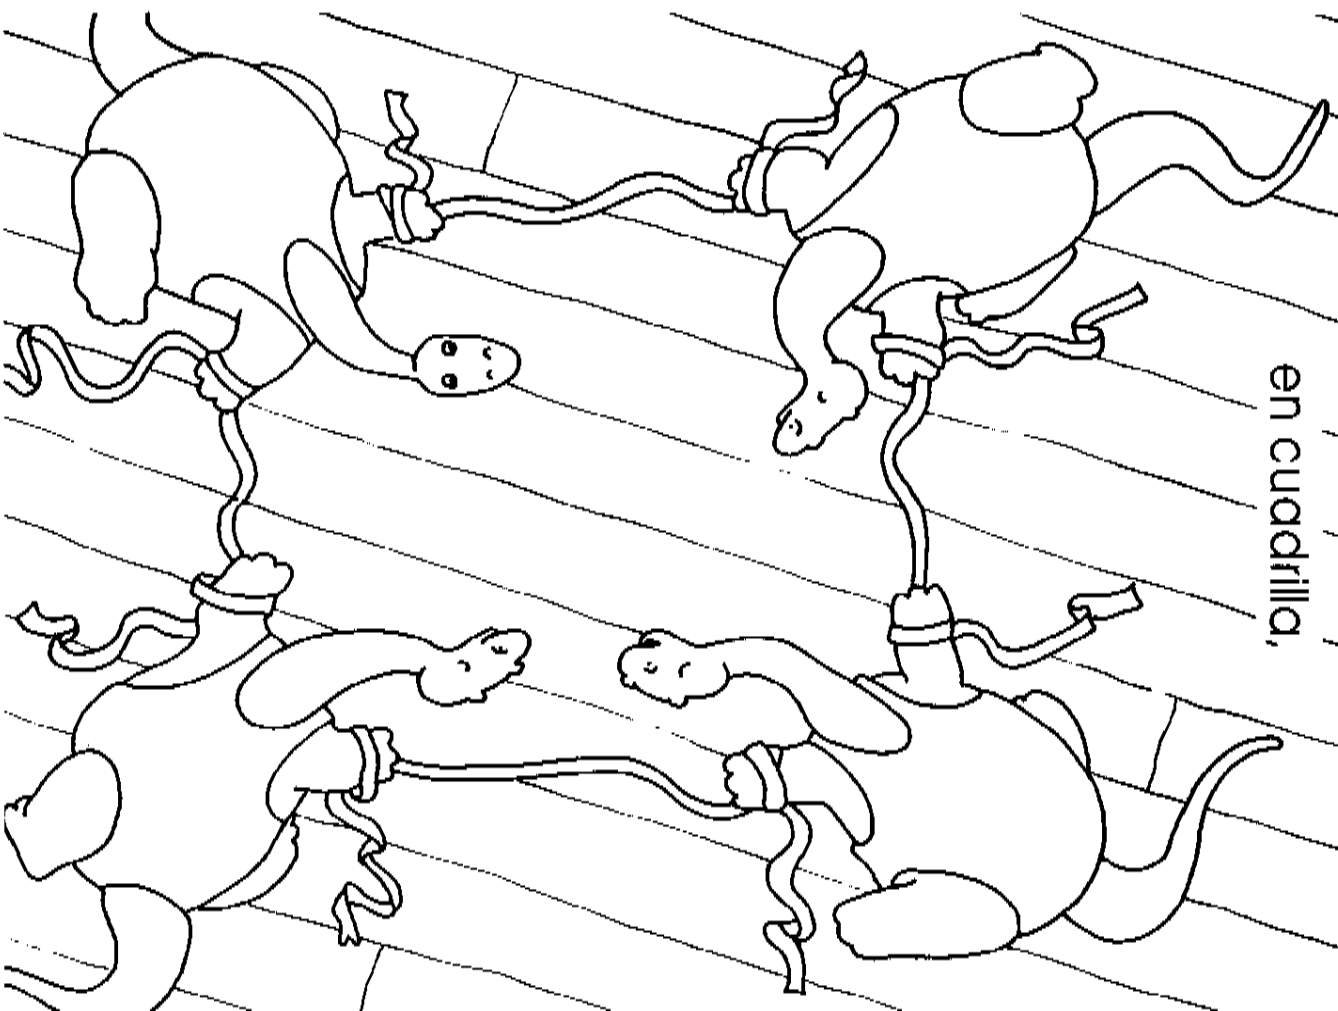

En círculo,

Con las manos en alto se pavonean,

en cuadrilla,

Dan vuelta y saltan de maravilla.

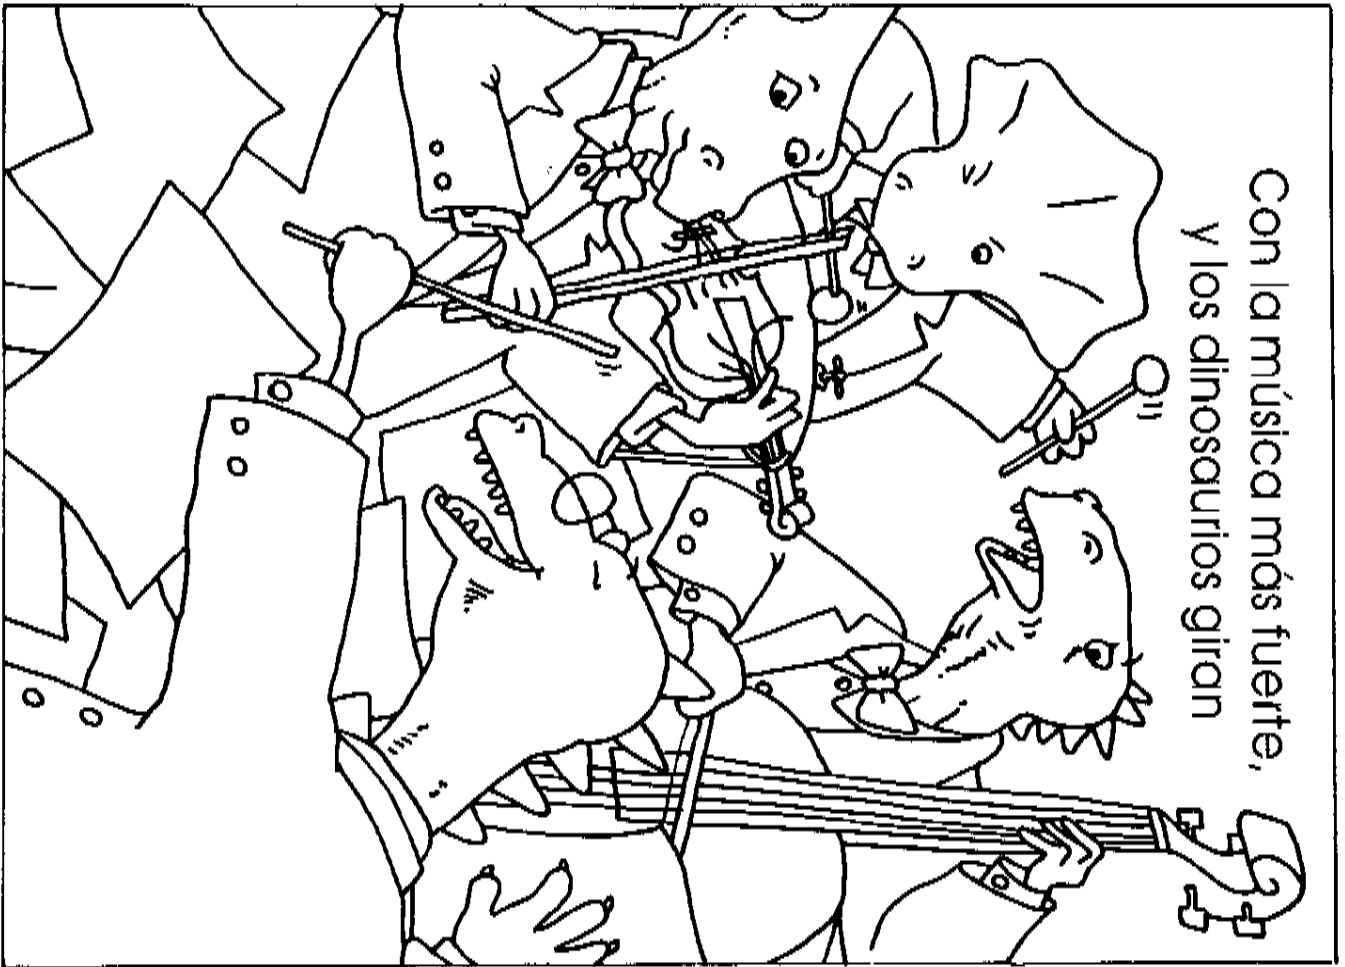

6

De acá para allá, de allá para acá.

15

Dan pasos altos

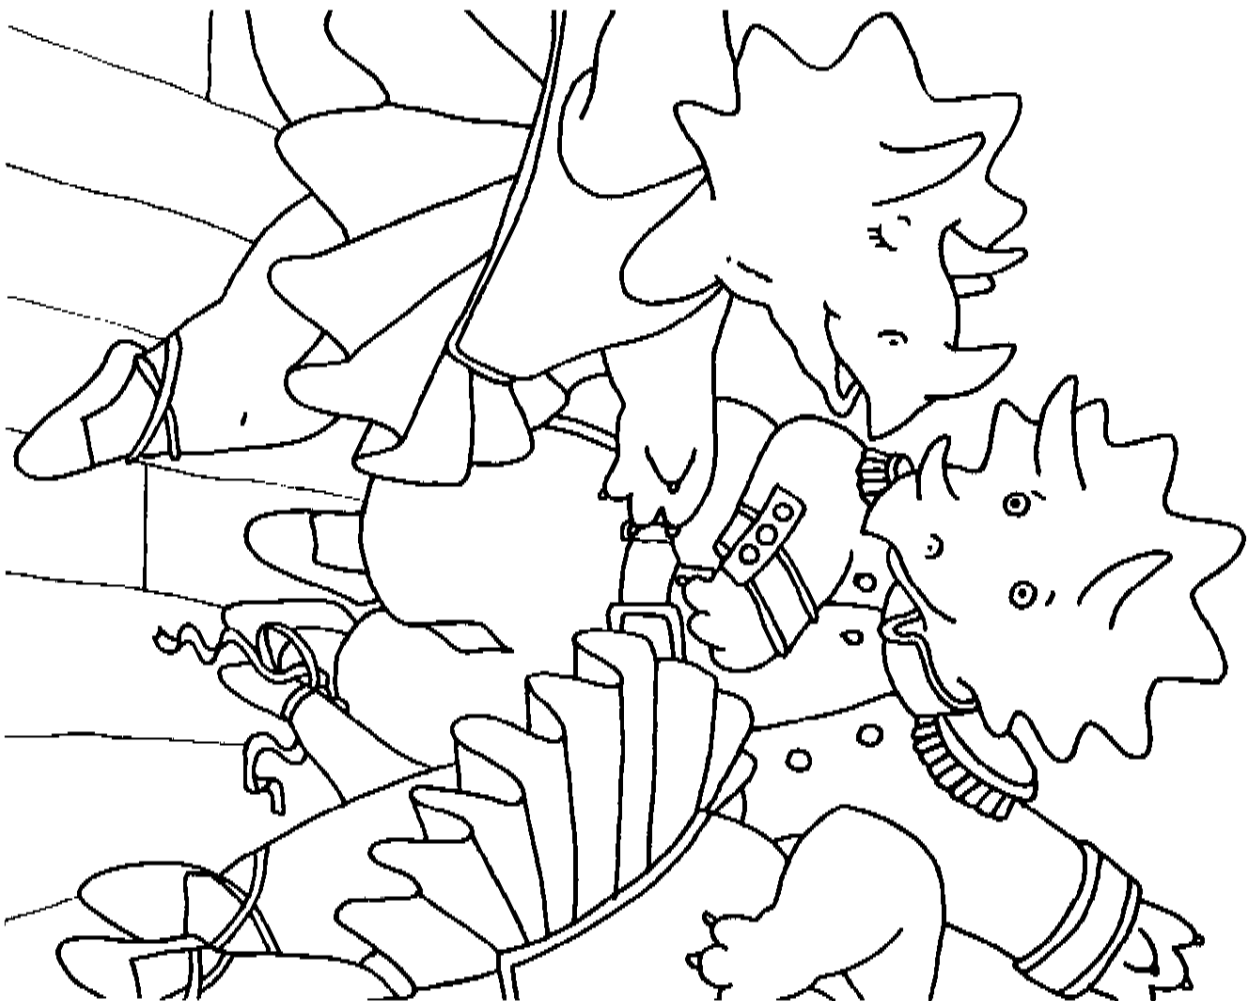

8

los dinosaurios bailan un gran ballet.

13

En puntillas saltan,

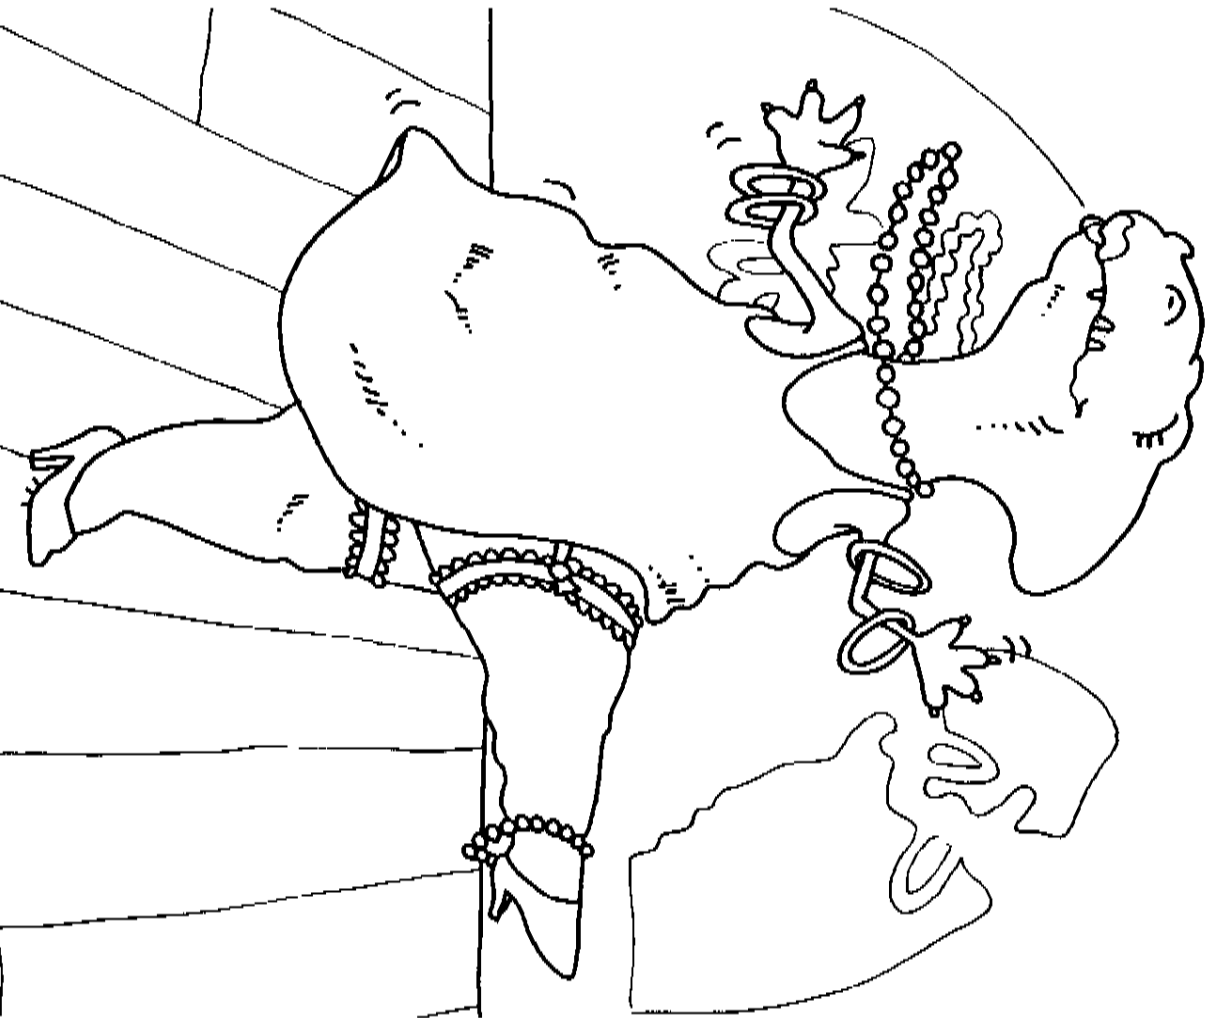

12

y dobleces
bajos,

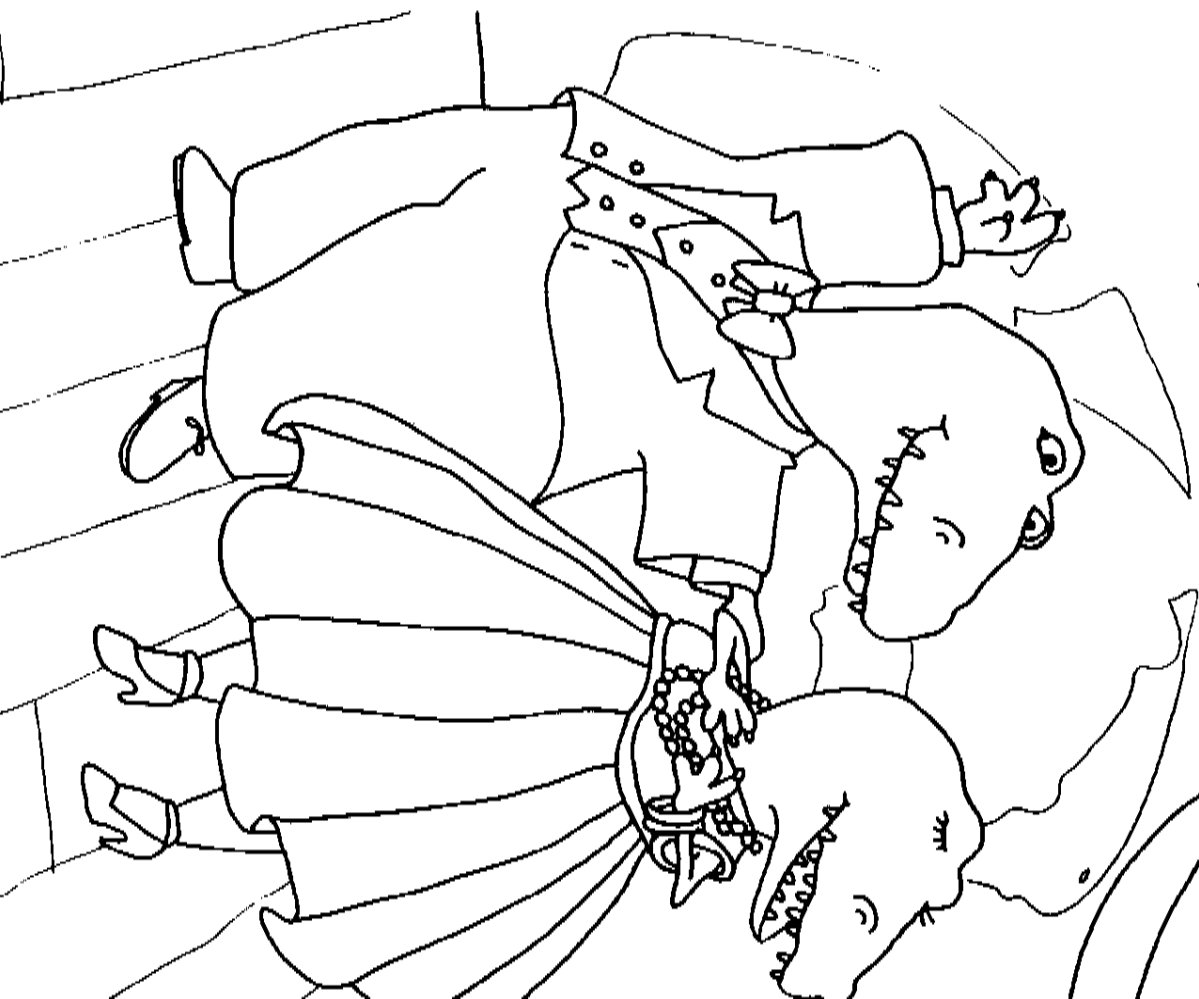

9

Unos dinosaurios son veloces,

10

unos dinosaurios
son despaciosos.
