

CAR SMARTS

Ask your child to teach you a song he or she's been singing this week

Ask your child to tell you at least one child she played with today

Ask your child the names of his / her classmates

Ask your child to start counting (in Spanish) when you leave YPW and continue counting until you get home

Ask your child to tell you one fun thing they did today at YPW that wasn't outdoors.

REVIEWING SPANISH WITH YOUR CHILDREN AT HOME

- When you purchase your favorite kid shows and movies on dvd's, make sure it has the Spanish audio track as well (Spanish subtitles are a great help too). Watch it in English a few times, then watch it in Spanish. After watching it in Spanish a couple of times, make a game out of it by listening out for the Spanish words and phrases you all recognize.

SOME MORE IDEAS ...

1. In the morning, sing a Spanish "hello" or "good morning" song. Ask your teacher to teach it to you.
2. Gently lift your baby up and down say "arriba" "abajo." or, lift his / her arms if older child
3. Open and close your hands and say "abierto" "cerrado"
4. Name the food and beverages you give in Spanish.

- Aqua = water Leche = milk Jugo = juice Jugo de naranja = orange juice
- Jugo de manzana = apple juice Jugo de uva = grape juice Cereal = cereal Bread = pan
- Rice = arroz Galletas = crackers/cookies

5. Make simple comments and ask simple questions when it's eating time.

- Here you go = Aquí tienes Let's pray (say grace) = Oremos Mmm, yummy = muy rico
- Almost finished = Casi terminaste Finished? = ¿Terminaste? Want more? = ¿Quieres mas?
- Yay! You ate all = ¡Comiste todo! No more. = No mas.
Do you want something to drink? ¿Quieres algo para tomar?
